Date: 15th October 2018

Dear Sir / Madam

4TH GENERATION TERM CONTRACT FOR MANAGEMENT AND MAINTENANCE OF THE SCOTTISH TRUNK ROAD NETWORK – NORTH WEST UNIT

A86 ARDVERIKIE – CARRIAGEWAY RESURFACING

BEAR Scotland, acting on behalf of Transport Scotland, are planning to carry out essential resurfacing works on a section of the A86 trunk road, approximately four miles west of Strathmashie. Please find enclosed a location plan for clarity.

The works are provisionally programmed for construction from Sunday 4th to Wednesday 7th of November between the hours of 7pm and 7am each night. Out with these hours traffic management will be removed, however a 30mph speed limit will remain in place, as traffic will be travelling over a temporary road surface.

Unfortunately, due to the restricted road widths through this section of the A86, we have no option but to close the carriageway to ensure the safety of the workforce and members of the travelling public. This section of the A86 will therefore be closed in both directions each night. During periods of closure, amnesties at 9pm, 11pm, 1am and 4am will allow waiting vehicles to be escorted through the site. Emergency service vehicles will be allowed to pass through the site throughout the working period.

We understand that a road closure of this nature will be disruptive and have planned the works overnight when traffic flows are lower, to reduce the impact of the works. We would like to take this opportunity to thank the local community for their patience whilst these essential works are undertaken.

Should you have any specific concerns or require further information please do not hesitate to contact Lee Bailey 03300080506 or by e-mail at NWConsultation@bearsotland.co.uk.

Yours faithfully,

For BEAR Scotland Limited

Kerr Archibald
Assistant Roads Manager (North)
